

Activity Title:

“From Topic to Problem Statement” Workshop

Objective:

- To enable students to practice formulating clear, focused, and researchable statements of the problem based on real-life or academic topics.

Group or Pair Activity (25–30 minutes)

- Students are divided into pairs or small groups (your approved group).
- Each group is given (or chooses) a research topic, approved title
- **Task:** In their group, students must:
 1. Brainstorm the **context or background** of the topic.
 2. Identify a **specific problem** or gap.
 3. Write a **3–5 sentence statement of the problem**.
